by JeDeCo

Charming evenings at JeDeCo
Thursdays 5th, 12th and 19th December
5:30 - 7:30pm

Join one of our special Charming evenings this December in our gallery, with a glass of bubbly. We'd love to show you around.

Our designers have chosen from their favourite creations to bring you an imaginative collection of charms. Figurative, abstract, ornate, geometric or whimsical, every piece tells a story about the designer and their inspiration. A perfect gift for Christmas.

Sand & Sea

The Charms are miniature versions of my 'Sand and Sea' collection. I like to encourage the wearer to fiddle and play with their jewellery, observing the coloured sand and semi-precious stones as they move within the piece.
